Services

Our services include Translation, Editing, Proofreading and Desktop Publishing.

Translation

As we believe in specialization, jobs are assigned to translators according to experience, which guarantees that your message will be clearly delivered with high quality. All our translators are bound by strict confidentiality agreements.

Editing

This service is very helpful when you have your translators and need a second eye to confirm that everything is translated properly. We have expert translators and editors who can help you guarantee accuracy of your translations.

Proofreading

In this phase, a reviewer with a degree in Arabic language checks the translated files and makes sure that:

1. Translation sounds natural as if it was originally written in Arabic
2. The text is free of grammatical mistakes
3. There are no typos
4. Format is kept exactly like the source

This phase is particularly important when the translated materials will be published or printed.

Desktop Publishing

Whether you want to localize posters, advertisements, or publish a brochure in other languages, *Perfect Translators* will do that for you, accurately! We can handle most languages of the world using Adobe InDesign, Illustrator, FrameMaker, Photoshop, etc.
